Dear Mr Hallward

**Environmental Protection, England and Wales
Environmental Permitting (England and Wales) Regulations 2007**

CONFIRMATION OF NEW REGISTRATION

Name of the establishment or undertaking: **Knowl Hill Ltd**

Location of the activity: **Dux Court Road, Kent, ME3 8RZ**

Activities under paragraph: **19**

Date of Registration: **08/04/2010**

Following your notification received 12/02/2010 I confirm that the details of the activity you describe have been placed on our public register of exempt activities. If the details above are incorrect, please contact us on 08708 506 506.

The activity will only continue to be exempt if it meets the criteria set out in schedule 3 of the above regulations and does not endanger human health or involve processes which could harm the environment. In particular, it should not:

- pose a risk to water, air, soil, plants or animals
- cause nuisance through noise or odours
- adversely affect the countryside or places of special interest

You are required to keep a record of the quantity, nature, origin, destination and treatment method of all waste disposed of or recovered in the course of your exempt activity. These records must be kept for at least two years. They must also be made available to us on request. *If your exemption is for a Paragraph 9 or 19 and uses less than 2,500 cubic metres of waste, you do not need to do this.*
