Dear Mr Forsyth

Environmental Protection, England and Wales
Environmental Permitting (England and Wales) Regulations 2007

CONFIRMATION OF RENEWAL REGISTRATION

Name of the establishment or undertaking: **Forsyth Group Ltd**

Location of the activity: **Home Farm, Hurtmore, North Godalming, Surrey, GU8 6AD**

Activities under paragraph: **19**

Date of Registration (Effective from): **23/12/2010**

Following your notification received 12/11/2010 I confirm that the details of the activity you describe have been placed on our public register of exempt activities. If the details above are incorrect, please contact us on 08708 506 506.

The activity will only continue to be exempt if it meets the criteria set out in schedule 3 of the above regulations and does not endanger human health or involve processes which could harm the environment. In particular, it should not:

- pose a risk to water, air, soil, plants or animals
- cause nuisance through noise or odours
- adversely affect the countryside or places of special interest

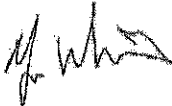

You are required to keep a record of the quantity, nature, origin, destination and treatment method of all waste disposed of or recovered in the course of your exempt activity. These records must be kept for at least two years. They must also be made available to us on request. *If your exemption is for a Paragraph 9 or 19 and uses less than 2,500 cubic metres of waste, you do not need to do this.*

If you fail to comply with the requirements of the exemption, we can remove your activity from the public register and bring criminal proceedings against you.

If the activity changes, or if you undertake any other activity involving the recovery or disposal of waste, please contact us on 08708 506 506.

The registration is until 30 September 2011 only. If you wish to continue the activities beyond this date, you must submit a new application for either an appropriate exemption or standard rules permit, before your registration ends.

Yours sincerely
